

## Notes to hike leaders

If you are leading a hike, please email the details to [prescotthikingclub@gmail.com](mailto:prescotthikingclub@gmail.com) by the Saturday before the week of the hike. Please make sure to include:

- Name of hike
- Leader telephone number
- Meeting location and time
- Hike description

The hike description should include an estimate of the length and elevation gain of the hike. Information about many hikes can be found on this web site:

<http://hikearizona.com/>

If the hike is outside of the Tri-Cities area, please include an estimate of round-trip mileage so riders will have an idea of the costs. You can find mileage by using the "Get Directions" feature on <http://maps.google.com/>.

Some sample mileages:

- PV to Sedona: 120 miles
- CV to Flagstaff: 180 miles
- CV to Grand Canyon: 220 miles

Finally, please send hike info to [prescotthikingclub@gmail.com](mailto:prescotthikingclub@gmail.com), rather than to my email address. Weekly emails are sometimes sent by Ellen Tyler as well as by me, and we both check the prescotthikingclub email address for club information.
